

Knock-knock. Who's there? It's C & R Services.

Doors are the entry and exit points to many areas in your home and they should always work correctly and look great. Whether you need repair services because your door doesn't work or look like it used to, or you're ready to have a brand-new door installed, I am ready to help.

Patio Door Installation and Repair

A patio door should allow easy movement in and out of your home. If your patio door does not swing properly or has a broken latch, our experts can help. We can fix your patio door or install a new one if necessary.

Screen Door Installation and Repair

Keep bugs outside with C & R Services screen door services. We can replace your existing doors or help you choose the right one. We also fix torn or damaged screens.

Sliding Door Installation and Repair

If your sliding door does not work smoothly, C & R Services can assist. We fix rollers and tracks, and we can install a new sliding door.

Interior Door Installation and Repair

Many issues can arise with interior doors, such as broken hinges or knobs. The team at C & R Services can quickly resolve these problems.
